

First informational announcement

Dear Colleagues!

International Laboratory of Statistics of Stochastic Processes and Quantitative Finance and Regional Mathematical Center of Tomsk State University invite you to take part in International Scientific Conference "Robust Statistics and Financial Mathematics-2026" dedicated to the 80th anniversary of Yury A. Kutoyants

Russia, Tomsk, July 15 - 17, 2026

Form of participation: offline or online.

Working language: Russian and English.

Deadline of applications: until 28.06.2026.

Scientific directions (sections):

1. Methods of mathematical statistics and their applications
2. Methods of quantitative financial analysis and their applications
3. Methods of stochastic analysis and their applications
4. Sequential Analysis and Its Applications
5. Big Data Models and Machine Learning

All talks accepted for the conference will be presented orally (plenary – up to 40 minutes, sectional – up to 20 minutes). An electronic edition of the conference abstracts will be published on the website <http://rsfm2026.tsu.ru>. Please send your abstract (in .tex and .pdf formats) to the organizing committee by June 28th by email at info@sspqf.org. A template can be downloaded from the website. Abstracts can be submitted in Russian or English and are up to one page long.

You can take part in the conference without talk.

Local organizing committee of the conference:

- Serguei Pergamenshchikov, Doctor of Physical and Mathematical Sciences, Professor, Scientific Supervisor of the Laboratory - Chairman of the Organizing Committee, Tomsk State University, Rouen University;
- Evgeny Pchelintsev, Doctor of Physical and Mathematical Sciences, Head of laboratory - deputy chairman organizing committee, Tomsk State University;
- Serguei Vorobeichikov, Doctor of Physical and Mathematical Sciences, Professor, Tomsk State University;
- Leonid Genze, Ph.D., Dean, Tomsk State University;
- Maria Leshchinskaya, Junior research fellow, Tomsk State University.

Address: Tomsk, Lenin Ave. 36, building 2, office No 320, 634050 Russia

tel. +7 (3822) 529-705
